Dear Parents,

Welcome to Elite Preschool & Learning Center, and thank you for choosing our school for your family. As parents ourselves we understand how difficult it can be choosing a school & teacher for your child. Here at Elite we take pride in our excellent academics, as well as, our loving and nurturing Christian classrooms and teachers. We understand the importance of making each and every child feel special and loved, and strive to become your extended family. We believe God made every child unique and special and their education should be the same! We are working on becoming a “Quality First” preschool, and we maintain a low teacher to student ratio, so each child may have the individualized time and attention they need and deserve. In this handbook you will read through our program descriptions, rules, regulations and policies. We are confident that most your questions will be answered within these pages and you will feel at home here at Elite. Please feel free to stop by the office at any time, our door is always open. We love to hear all about your child’s milestones and accomplishments, as well as, your joys and concerns. Each of our children hold a special place in our hearts, and the families that have been led to our school richly bless us.

In Christ’s Love,
Pastor Joe Calloway
Owner

This handbook is designed as a handy reference for you. OUR MISSION, FAITH AND FAMILY VALUES STATEMENT

Mission Statement:

“CHANGING THE LIVES, ONE CHILD AT A TIME”

At Elite we see the unique potential in each child. Each child has their own special character and personality. Our mission is to help each child develop their life to have a positive influence on those they will influence as they grow. At Elite we want to introduce your child into the learning atmosphere by positive reinforcement on the good in each child.

Statement of Faith:

“WE BELIEVE EACH PERSON HAS AN OPPORTUNITY TO CHOOSE A PERSONAL RELATIONSHIP WITH GOD”

Elite Preschool and Learning Center is a Christian Preschool. At Elite your child will learn about God’s love for them. Your child will also learn how God’s Word can be relevant to their daily life. They will learn how they can develop their own personal relationship with God. Elite Staff understand we are not perfect and it is God’s Grace that allows his love to be seen in our lives.

Statement of Family Structure:

“EACH CHILD IS PART OF A FAMILY STRUCTURE”, the Bible talks about many different structures in families. A family can be those you are born with, those you live with, those you work or go to school with. We are all a family and have responsibility to live with respect and consideration for one another.

Non-discrimination policy:

Elite Preschool is a developmentally, age-appropriate preschool. Elite does not discriminate on the basis of race, religion, color, national or ethnic origin.

Children with special needs:

Our goal is to meet the individual needs of the child within the structure of our program. We also want to maintain a healthy and safe environment for all children and staff, some special needs may not fit within the structure of our program

Daily routines and schedules:

Each classroom will post their weekly lesson plans. Please stop and notice what your child has learned for the week. It is a great support for you to talk to your child regardless of age about what was learned for the day or week.

Transitions:

New to Elite: If your child has just started at Elite we want encourage you to spend additional time in the classroom to help them become comfortable in a new atmosphere. It is suggested you spend time encouraging and learning about your child's friends, teachers or day. Spend time talking before and after school about the activities your child was a part of. To get a copy of the daily lesson plan please ask the front desk.

New Classroom: We understand that every child responds in a different way to change. Your child may experience this difficulty and tend toward regressive behaviors (biting, pants-wetting, etc.) this is normal. We want to encourage you to support your child during this time. We have procedures for our teachers to use to support children who may experience these moments of anxiety and may need extra reassurances and comfort.

Television and other Media Sources:

Preschool: We limit television and video in our school because we want your child to experience interactive learning. We do however show Bible videos and clips during Bible study time as reflected on the lesson plan.

Communication with Parents:

Elite believes that the home is the primary educator in the life of a young child, and that we are an extension of the home. It is our desire to partner with parents to educate our students.

Discipline Policies:

Elite staff members will handle behavior problems in the classroom through redirection, reflective listening, and positive reinforcement. Children are taught to "use their words" to tell others how certain behaviors make them feel. Staff members will be constant role models, providing positive, examples to children. Teachers will help children in conflict to resolve

Field Trip and Requirements and Procedures:

You will be required to fill out a Field trip permission policy for each field trip your child will go on. If your child does not return a permission slip the child will stay at the school in a classroom. Walking field trips are areas in which your child will participate in and around the facility that are not considered a licensed area.

Parent Participation

Parents are welcomed to join us in festivities, parents must sign a set of rules before participating in the classroom. This includes: No cameras, videos or pictures allowed for the student's protection and safety. Teacher will be managing and guiding the classroom, Parents will be responsible for their own child. To keep in line with our daily schedules, curriculum and routines please keep pick up and drop offs time to a 10 minutes max.

Personal Belongings:

Children are required to bring a spare set of clothing, blanket/pillow and keep them on hand in their cubby. Please dress your child appropriately for the weather. Your child will spend 20-30 minutes outdoors unless weather conditions are not appropriate.

Screenings and Referral:

During infancy and early childhood, your child will gain many experiences and learn many skills. It is important to ensure that each child's development proceeds well during this period. Elite Preschool & Learning Center uses Ages and Stages (ASQ-3) and every child will participate in the screening and monitoring program. If a possible developmental concern is identified, the director will refer families to the appropriate community agency for further testing. Each child has a developmental journal where the teachers record observations. Early childhood assessments are completed twice a year, as well as, parent/ teacher conferences.
